"Fab 6 is a labor of love. Six musicians united in a long journey to do it right. We are all hardcore lifelong Beatles fans. Most of us started playing in bands immediately after watching the Beatles on Ed Sullivan in the Winter of '64. None of us have ever been involved in anything quite like this. We are all humbled by the Beatles music and are truly honored to get a chance to play it for you. It's a show I've wanted to pull together for a very long time-- and finally-- we're bringing it to life." - Jerry Gray of Fab 6
